EDUCATION

Bachelor degree | Xinjiang University
2017 – 2019
I was very passionate about my major and I was one of the top students in my academy. I had so much potential and I was eager to learn. but unfortunately i couldn't graduate due to political reasons..

CS50 Certificate| Harvard University
MAY. 2020 – NOV. 2020
I never stopped learning after I came to sweden. In six months I finished an online course at Harvard University and got an official certificate.

WORK EXPERIENCE

[XJU Khamar tech department] [Dev intern]
MAR. 2018 – JAN. 2019
I worked as a draftsman assistant for the first six months using mainly corelDraw and CAD. And for the four months as a backend developer with my professors guidance.
